Vrs:

You wouldn't believe in my new belle
She flits and weaves a curious spell,
And under my skin is the place where she resides.

Finding a release in prayers and psalms
I will obey her articulate commands,
She's just a coquette and how I wish I could forget.

Chrs:

Breathing new life in to the sad witch
And she promised me three wishes
My only wish is
She should remain here.

A poisonous saint with a brittle, crippled frame
And she fooled me with her motherly gestures,
My only guess is she's misguided.

Vrs:

The sins, the sins the heavenly limbs
That greet below the red, red lights,
Hold no sway with me now she's my intended.

The jewels around her neck retain a curious sheen,
God is in my heart and tearing at the seams,
Her atheist tracks are certainly persuading.

Repeat Chorus Twice

F
And I don't know,
Am
And I don't want to know,
G
If she floats or drowns,
F
If she floats or drowns.

I'm breathing new life into my sad witch
And only my sad witch wants to know
(x a few)
